- I can describe the climate and vegetation of Latin America.
- I can describe Latin America's important natural resources.

We are excited about our upcoming dinner fundraiser at **Cici's Pizza** located at **120 S Denton Tap Road in Coppell on Thursday, December 8th from 4pm-9pm**. There is no registration for this event. You are cordially invited to dine with us and any student who attends will receive a **free dress down pass**. When purchasing your meal be sure to mention you are supporting Manara Academy.

In efforts to have students at school on time, buses 3 and 6 will pick students up 15 minutes earlier. These are the buses that come from Arlington.

Tutoring invitations have been sent out and tutoring has started.

Tuesdays- Math tutoring 3:30-4:30

Wednesdays- ELA tutoring 3:30-4:30

Students are to continue to read or watch the news Monday-Thursday and summarize the most important news

Make sure you continue take advantage of think through math and imagine learning. Students are encouraged to use it at least 1 hour a week.
